ICS 13.020.10

## National foreword

This Published Document reproduces verbatim ISO/TR 14062:2002.

The UK participation in its preparation was entrusted to Panel ES/5/-/1, Integrating environmental aspects into product design and development, by Technical Committee ES/5, Life cycle assessment and life cycle approaches, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
