

BSI Standards Publication

Environmental management systems — Guidelines for a flexible approach to phased implementation

National foreword

This British Standard is the UK implementation of EN ISO 14005:2019. It supersedes BS 8555:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SES/1/1, Environmental management systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
