Environmental labels and declarations - Principles, requirements and guidelines for communication of footprint information

National foreword

This British Standard is the UK implementation of EN ISO 14026:2018. It is identical to ISO 14026:2017. It supersedes [BS ISO 14026:2017](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SES/1, Environmental management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
