#### **About this Handbook Edition**

This PDF contains the complete 2012 edition of NFPA 220, *Standard on Types of Building Construction*, annotated to assist the reader's understanding of the standard's language and the intent behind it. The annotations are not part of the NFPA Standard but provide a valuable commentary reflecting the views, explanations, and insights of authors and contributors selected by the NFPA based on their knowledge of and experience with the standard.

#### **How to Navigate Between the Text of the Standard and the Annotations**

Navigate between code or standard text and annotations by using hyperlinked icons and code numbers.

- While in code or standard text, click on hyperlinked ▲ icon\* to the left of the standard section to navigate to corresponding annotations.
- Click on the hyperlinked annotative standard section number 1.1 to return to previous standard section.

*\*Please note, only the sections featuring icons contain annotations.*

For longer blocks of annotations, it is recommended that you enable the back arrow functionality in Acrobat's page navigation menu, which will also allow you to return to the previous standard section.

#### **How to Ensure You Have the Most Up-to-Date Version of the NFPA Standard**

The NFPA Standard, in the edition contained herein, is current as of the effective date designated at the time the standard was issued [2012]. This *Handbook Edition* does not, however, include errata, tentative interim amendments (TIAs), or formal interpretations (FIs) that may have been issued after the effective date. For all errata, TIAs, or FIs that may have been issued since the effective date, or for any new editions that may have superseded this edition, please visit the "Document Information pages" link for the relevant NFPA Standard located in the "Codes & Standards" section of [www.nfpa.org](http://www.nfpa.org), or subscribe to the National Fire Codes Subscription Service [[www.codesonline.nfpa.org](http://www.codesonline.nfpa.org)].

## **IMPORTANT NOTICES AND DISCLAIMERS CONCERNING NFPA® DOCUMENTS**

### **NOTICE AND DISCLAIMER OF LIABILITY CONCERNING THE USE OF NFPA DOCUMENTS**

NFPA codes, standards, recommended practices, and guides ("NFPA Documents"), of which the document contained herein is one, are developed through a consensus standards development process approved by the American National Standards Institute. This process brings together volunteers representing varied viewpoints and interests to achieve consensus on fire and other safety issues. While the NFPA administers the process and establishes rules to promote fairness in the development of consensus, it does not independently test, evaluate, or verify the accuracy of any information or the soundness of any judgments contained in NFPA Documents.

The NFPA disclaims liability for any personal injury, property or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly resulting from the publication, use of, or reliance on NFPA Documents. The NFPA also makes no guaranty or warranty as to the accuracy or completeness of any information published herein.

In issuing and making NFPA Documents available, the NFPA is not undertaking to render professional or other services for or on behalf of any person or entity. Nor is the NFPA undertaking to perform any duty owed by any person or entity to someone else. Anyone using this document should rely on his or her own independent judgment or, as appropriate, seek the
