COMMITTEE REPRESENTATION

This standard was prepared under the supervision of the P 7901 Committee established by the Standards Council under the Standards Act 1988.

The committee consisted of representatives of the following nominating organisations:

Contact Energy

Electricity Engineers' Association of New Zealand Inc.

Genesis Energy

Institution of Professional Engineers New Zealand (IPENZ)

KiwiRail

Meridian Energy

Ministry of Business, Innovation and Employment (WorkSafe New Zealand from December 2013)

New Zealand Council of Elders

New Zealand Institute of Safety Management

Orion New Zealand Ltd

Powerco

Telarc SAI Ltd

Transpower New Zealand Ltd

Vector Ltd

ACKNOWLEDGEMENT

Standards New Zealand gratefully acknowledges the contribution of time and expertise from all those involved in developing this standard.

Standards New Zealand will vigorously defend the copyright in this Standard. Every person who breaches Standards New Zealand's copyright may be liable, under section 131(5) (a) of the Copyright Act 1994, to a fine not exceeding \$10,000 for every infringing copy to which the offence relates, but not exceeding \$150,000 for the same transaction, or to imprisonment for a term not exceeding 5 years. Those in breach under section 131(5) (b) of the Copyright Act 1994 may be liable to a fine not exceeding \$150,000 or to imprisonment for a term not exceeding 5 years. If there has been a flagrant breach of copyright, Standards New Zealand may also seek additional damages from the infringing party, in addition to obtaining injunctive relief and an account of profits.
